About GMZ

We are a family B2B business from China, focusing on the production and export of food packaging for more than 17 years. We design, produce and deliver paper cups, PET cups and food containers to customers worldwide.

Our factory is located in the most important paper and plastic industry base in China, covering an area of 13,400 square meters and producing more than 600 containers of products every year. Our upstream and downstream supply chain is so complete that can enables us to have reliable production capacity and provide customers with efficient and comprehensive solution.

We are committed to establishing a long-term and stable cooperative relationship with our customers, and strive to create value for our customers. This is our eternal goal.

Quality & Accreditations

We firmly believe that quality is the cornerstone of the long-term development of an enterprise, so we have invested extraordinary resources in the product quality control process.

We manage the quality through the QMS system to ensure that the products go through the three inspection procedures of incoming material inspection, process inspection and finished product inspection before shipment.
