 www.gmz.ltd

GMZ Pack is a family-owned enterprise specializing in disposable food packaging. With a robust factory covering 13,400 square meters, we have been deeply rooted in this industry for 19 years.

Leveraging our comprehensive supply chain advantages, we stand out among China's numerous production bases with excellent production capacity and competitive pricing.

Our extensive experience in collaborating with international distributors enables us to provide wholesalers and distributors with competitively priced, reliable disposable food packaging products that meet diverse quality and certification standards across global markets.

In addition, we also provide flexible solutions to chain restaurants to meet customized needs and provide high-quality home delivery services to ensure seamless delivery.

We face challenges and grow together with our customers to build strong long-term partnerships with them.

Quality & Accreditations

We firmly believe that quality is the cornerstone of the long-term development of an enterprise, so we have invested extraordinary resources in the product quality control process.

We manage the quality through the QMS system to ensure that the products go through the three inspection procedures of incoming material inspection, process inspection and finished product inspection before shipment.
